CS 252 First Project Questionnaire
(Due Wednesday February 25 by 5 PM in 635 Soda Hall door box)

Project Name:	Meeting Time:
Partner #1:	email:
Partner #2:	email:
Partner #3:	email:

What is your plan of attack for this project?

What reading material have you collected? Anything missing?

What computing resources do you have on this project? Anything missing?

What work have you already done on the project?

How far do you expect to be by the next meeting (in about three weeks)?

What questions or resources remain that prevent you from starting your projects?

Any other comments or questions?
