
Breakthroughs and Challenges ahead in Computer Architecture

SC97

11/19/97

moderator: David E. Culler

panel:
Jim Gray, Microsoft
Greg Papadopoulos, Sun
Burton Smith, Tera
John Hennessy, Stanford

Charge to the Panel

- **Where is Computer Architecture headed?**
- **What breakthroughs lie around the corner?**
- **What are likely to be the critical challenges?**

Tides of Change
