

JUST FOR LAUGHS

"What in the WORLD?"

SASHA KELLER / MOTHER

Just 10 days old, Amelia (right) suddenly realized someone was sharing her crib—her brother Theo! (b. Feb. 22)

Send **your** stories, out-of-the-mouths-of-babes remarks and candid pictures to *Multiple Madness* (sarahcjones@mindspring.com). It will be used in an upcoming "Just for Laughs," where we'll share with one another our laughable moments.

President's Message

By Susie Robertson

President & Founder, Mother to Hannah & Heather, age 12

Thanksgiving... As parents of twins, we have so much to be thankful for. Twice as many cards, hugs, and kisses from our little ones. So many people have said they are so thankful for this club. It is such a wonderful resource for information, support, and friendship.

Thank you to all of you who have sent in your membership forms. Sending in your membership form will insure you are included in all the mailings and

e-mails of important dates and times of club functions.

We are beginning our new fiscal year, and it would be great if we filled a few of the open volunteer positions. We are currently looking for someone to help with our **loaner equipment** (what a great resource for all you new parents!) and a social planning committee. Both of these jobs can be done with as few as 2 or 3 hours per month (or less). Please consider helping out the club with these important positions.

Thankfully...
