Declaration of Illness or Circumstances Interfering with Taking the CS 189/289A Midterm.

Write the following statement by hand and sign below it. If appropriate, you may replace the word “illness” with “adverse circumstances that severely impair my ability” or “time-sensitive efforts to battle the COVID-19 outbreak”. If appropriate, replace “CS 189” with “CS 289A”. You may write it on paper and scan it, or use a tablet computer if you have one, but the declaration and your signature must be written by hand. If you don’t have convenient access to a printer, you may use blank paper.

“I declare that, due to illness, I am unable to carry out the CS 189 Midterm at a minimally acceptable level. I declare my intention to skip the Midterm, and I authorize replacing my Midterm score with a score based on my Final Exam. This score may be renormed at the discretion of the course staff.”
