CS 301 - Fall 2005   **GSI Practicum**   **Prof. C. H. Séquin**

FEEDBACK QUESTIONNAIRE -- Week 4
due before class on September 23.

For each of the course segments below, please indicate **how interesting/useful** they were:

Date	Topic	very good	good	aver- age	weak	waste of time
Aug. 29	How to survive first week as a GSI					
Sep. 2	How to lead a good discussion					
Sep. 9	Responsibilities: Standards and Ethics					
Sep. 16	Rights of a GSI (UAW 2865 presentation)					
Sep. 16	Cooperative Learning (by Brian Harvey)					

Any additional comments to any of the above course segments ?

Say something positive about the class in general:

What could be improved in this class ?:

What is the most urgent topic you would still like to hear about ?:

How could this questionnaire be improved ? (for starting a discussion on Sept. 23):
